

Saravanan C

Full Stack Developer

Highly motivated and completed MERN Stack Developer with a strong foundation in MongoDB, Express.js, React.js, and Node.js. Proficient in JavaScript and API design, with a keen eye for efficient state management using Redux. Seeking opportunities to leverage my expertise in React JS and NodeJS to drive productivity and deliver impactful solutions. Strong communicator and quick learner, eager to contribute to a dynamic team and enhance customer experiences through streamlined processes and efficient development practices.
